If You Don't Live In Our Broadcast Area...

We hope you are aware that KFUO is a worldwide ministry. The radio version of "Portals of Prayer" and the 10-minute Christian choral music program, "JOY" are produced at KFUO and sent to hundreds of radio stations 'hroughout the world. Do you hear hese programs where you live? If not, you can help us get them on the air in your area. Just write to us, and we will ell you how you can help in this ministry. Or simply check the box requesting more information on "Portals of Prayer" and "JOY" when you return he enclosed reply envelope.

You may also designate your gift to KFUO to be used specifically for "Porals of Prayer" or "JOY" by checking he appropriate box on the envelope, so that others worldwide can benefit from this ministry.

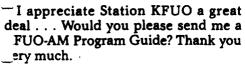

But that's not all! KFUO is currently vorking on "His Word," a recording of the Scriptures in the New International Version. The New Testament is completed and is heard on KFUO each day at 7:20 a.m. Mr. Roger Mueller of Evanston, Illinois voices the readings, and prief introductory comments are provided by KFUO's Rev. Ron Lind.

The Old Testament is in the process of being read and recorded, but KFUO is still looking for contributions to complete "His Word." We are hard hit for funds for this important project. Your help here will enable hundreds, or even millions, of people to hear the Gospel message.

In addition to producing these Christ-centered programs, KFUO also has a variety of materials available on cassette for purchase by individuals. For example, there is "Yesterday's Lutheran Hour," an historic collection of sermons by Dr. Walter A. Maier. These sermons can also be heard over KFUO on Sunday mornings at 9:00, in addition to contemporary "Lutheran Hour" broadcasts at 12:30 and 5:30 p.m. Recordings by the KFUO Lutheran Radio Choir are also available. Just check the appropriate box on the reply envelope.

Remember, your gifts to KFUO help more than just our local listeners, especially when you designate your contribution for KFUO's worldwide ministry. You actually help to bring the Gospel to people in such far away places as India, South America, and even Turkey.

When I think it takes \$2.00 a minute to run the station, I wonder how you ver make it . . . KFUO is always in my eart and prayers, and as I say, I love all the programming. It used to be that I listened mostly in the morning, but ow since "Music Plus" is on it takes le into the afternoon too. Gonna have to get a portable one and hang it on me is I can get my shopping done and not its my programs. I do really enjoy rFUO. There is no station like it.

M.G. Farmington, MO

I like the music you play on "Music Plus." I listen to that program in the car, and if I know a song on your Hymn Sing, I try and sing along.

"KFUO Sunday Bible Class"

No one ever said studying couldn't be serious and fun at the same time. e pecially when you're studying God's '-ord! KFUO invites you to join our new Bible class each Sunday morning at 9:00.

It's a lively hour with your fellow ristians from Holy Cross Lutheran Church in Collinsville, Illinois. The atmosphere is friendly and informal. stor Dale Meyer is the host, but not the ly speaker. The entire class participates in the discussion, freely sharing their thoughts and experiences, and commenting on the application of God's Word to their own lives.

The KFUO Sunday Bible Class is a recent addition to our programming. The first program was aired December 9, 1984, with the discussion centering on Christian family life. Upcoming classes are scheduled to begin with certain episodes related in the Old Testament . . . but you never know where the discussion might lead when the Holy Spirit is working through the Word.

So tune in! You might just enjoy the class so much, you won't realize how much you're learning and growing while you listen!

(FUO was an active participant, too. with an exhibit and live broadcast booth. where we interviewed many of the main s: akers and other personalities. But K_UO was also involved "behind the scenes"—taping each of the 130 workshops and all of the worship services. E le studies, and other events on the nrain floor.

These recordings are available on cassette by mail order through KFUO. A variety of topics are covered, including: prayer, spiritual gifts, marriage enrichment, church growth, witnessing to special groups (minorities, children, elderly, singles, the blind and deaf, cult members, more), the use of art and media to foster evangelism and spiritual growth, etc.

Just check the appropriate box on the reply envelope, and we will send you a complete list and order form. If you are interested in a particular topic or speaker, call KFUO's Ted Preuss at 314-725-3030, who will recommend the tape which best meets your needs.

Bach's **Sunday Best**

The greatest Lutheran composer of all time, Johann Sebastian Bach, will be featured on KFUO throughout 1985 in a special Sunday morning series. Titled, "The Bach Heritage," this series was created to commemorate the 300th Anniversary of Bach's birth on March 21, 1685, and will be aired on KFUO (850 AM) at 10:00 a.m. Sundays.

Each week at least one major Christian composition by Johann Sebastian Bach will be presented. A devout Christian and dedicated musician, Bach wrote at least one cantata for each Sunday in the church year; usually one of these will be the featured work. The balance of the program will be filled out with shorter selections from Bach's array of musical

Pastor Ron Lind will host "The Bach Heritage" with a brief commentary on the music, summary translation of works performed in German or Latin, and a weekly glimpse into some facet of Bach's life and work.

Plans are also developing to further commemorate Bach's birthdate later in the year on both KFUO and KFUO-FM. Listen for further announcements!

Enclosed a small offering. KFUO has great meaning to me. Even though I cannot go much anymore, perhaps you don't realize what a blessing it is. I can't help but marvel to think it comes right into my little home out here in the hills. In these turbulent times, what a comfort the words of the Bible are. It gives us our only real security.

I must write and tell you how pleased we are of all the many comforting sermons we can hear thru out the day . . .I am enclosing a gift to KFUO for all the blessings the dear Lord gives me as I look forward to another birthday. May the dear Lord continue to bless your services at KFUO, for it is a gift of God.

NEWS IN A NUTSHELL—

000100

- KFUO CHOIR - After a few weeks off for Advent, the KFUO Choir has sumed regular rehearsals on Wednesday renings. Details for the 60th Anniversary Concert have been finalized. The Choir will celebrate KFUO's 60 years of radio inistry with an evening of song and _aise Sunday, January 13, 1985 at Chapel of the Cross Lutheran Church in north St. vouis County. The music begins at 7:30 m., with Mr. Lynn Mueller conducting as the Choir performs selections from Handel's "Messiah" and a variety of iditional carols and other seasonal orks. Everyone is invited to come, and—oh, yes, admission is FREE!

60TH BIRTHDAY PARTY - The tion celebrated its 60th on December ra with an all-day on-air birthday party. Listeners were invited to call in, both on t e air and off, to share their memories bygone days at KFUO, and to send a birthday gift as a contribution to the station's ongoing ministry. A number of 1 Drewes' gift certificates were given out two those who contributed, along with KFUO Anniversary Plaques and Pens.

Many listeners called to express their ε preciation for KFUO's programming, past and present. Many long-time friends of the station described how KFUO got s rted and what it was like to do all of t : broadcasts live. Among those who phoned were the daughter of our late founder, Rev. Richard Kretzschmar, and ti wife and son of the late Dr. Walter A. Nation. (We were especially delighted to hear from Mrs. Hulda Maier.)

ANNIVERSARY CONCERT

KFUO LUTHERAN RADIO **CHOIR**

January 13, 1985 - 7:30 p.m. Chapel of the Cross 11645 Benham Road (270 & 367). St. Louis, Atlantur

Featuring Selections From Handel's "MESSIAH"

Special programming on that day also featured excerpts from programs people especially enjoyed in the past, with a touch of Christmas music to keep things merry. It was a thoroughly enjoyable day for staff and listeners alike.

AIR CONDITIONER — So many people have asked us about the results of last summer's request for help with the new air conditioner! Our Fall Program Guide was already being printed before the results were tallied, so we were not able to tell you about it then. We asked for a gift of \$9 from each of our listeners. Enough of you responded to more than meet our goal of \$27,000 . . . in fact, the total of gifts received came to just over \$33,000! We rejoice over the assistance so readily given to meet our emergency need. We also give thanks to God for keeping our transmitter going through those final hot days until the installation of the new system could begin.

METROPOLITAN OPERA - The Saturday afternoon performances formerly simulcast with KFUO-FM during the Metropolitan Opera's season will not be carried on the AM station this year. Although there does seem to be a small core of opera fans among our listening audience, most avid opera listeners prefer the FM band, where they can receive the broadcasts in stereo. We felt that the majority of our AM listeners would prefer a lighter variety of music on Saturday afternoons. We will continue to air the Metropolitan Opera on "Classic 99" -KFUO-FM, 99.1 - throughout the season.

IN TOUCH — Due to a growing potential for confusion of KFUO's "In Touch" with other radio and television programs having similar titles, the name "In Touch" will be dropped from our popular weekday morning program. The concept of the program will remain, with Christian music, Bible studies, and other featurettes of a spiritual nature. Pastor Ron Lind also continues in his role as a morning personality on KFUO. And of course, our new programming will still help you to stay "in touch" with our Lord and Savior.

SUNDAY MORNINGS — What's new between church services? Bible class and Bach! See the articles on the front page of this Program Guide for details!

The "Program Guide" is provided as a service to our listeners. Please consider making a gift in support of the "Program Guide" and KFUO's ministry.

If you know someone who would like a subscription to the "Program Guide," fill in their name and address on the enclosed reply envelope. We will send it to them free of charge.

JUNGHANS REMEMBERS KFUO

The Board for Radio Station KFUO will be remembering Walter Edward Junghans on the air in a special way in coming months. Mr. Junghans, a respected member of his community and congregation (Holy Cross Lutheran Church in Collinsville, Illinois) died in 1983. He will be remembered not only because he was dear to the hearts of those who knew him, but also because he generously provided for the continuation of the Lord's work after his death through both his home church and KFUO.

Over one-third of KFUO's support comes in the form of wills and bequests. A substantial part of our programming this year was made possible because of this bequest from Walter Junghans.

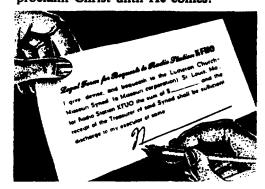

KFUO is very grateful to Mr. Junghans and others who have included us in their wills so that we might continue broadcasting the Gospel to future generations. If it were not for the generosity of these concerned Christians, this radio ministry would have ceased years ago.

How much more could be done in the Lord's service if everyone planned as

carefully for their 706 (estate tax return) as they do for their 1040 (income tax return)!

If you are making plans concerning your estate, please consider remembering KFUO as one of your beneficiaries. We would be happy to tell you more about our radio ministry, or if you decide to include KFUO in your will, we can give you the information you need to do it. Just call or write: KFUO, 85 Founders Lane, St. Louis, MO 63105, (314) 725-3030.

With your help, KFUO will continue to proclaim Christ until He comes!

(OR: KFUO RELIGHTS TOWER CROSS!) LIGHT THE CROSS!

From almost the very beginning, the cross has been associated with KFUO not only because of its Christ-centered programming, but also because of the neon cross affixed to the KFUO tower. Even in the old days when twin towers were used to support a horizontal antenna, the south tower was topped with with a large cross. When the new single tower was constructed, the station did not neglect to add this important symbol of our faith and our message.

The ten-foot neon cross once lit up the sky at night, but it has been out for about 15 years now. It has not been fixed because of the ,600 high cost of repair. However, a new opportunity has arisen. The tower reached the point where it need to be renovation without delay. By including repair of the The first step of the renovation was the replacement of the FM antenna which was beginning to break off and fall to the ground. A the new antenna has just been installed, thanks to assistance from our listeners and especially from AAL Branch #507, who raised the \$12,000 needed.

Now, thanks to the prayers and contributions of our listeners, the is first on the agenda; remaining repairs are underway. Painting the FCC has strict rules about keeping radio towers brightly painted in a specific manner, and the KFUO is due for a new paint job. Security and safety will be updated and improved, especially at the ground level, and the entire tower will be inspected for minor repairs.

Legal and engineering costs, added to the cost of labor and materials, brought the expense of the whole project well into the tens of thousands of dollars. KFUO listeners came through, sending contributions of \$8.50 or more, many of them drawing a small cross on their checks to show they were praying for us.

Tower repairs are expected to be completed by mid- to late June. The climactic event will be the lighting of the cross at the renovation celebration June 23. Light refreshments, a touch of pomp and ceremony, and good old-fashioned fellowship -- that's what we're planning. The celebration will begin following the opening service of the Missouri District LCMS Convention in the nearby fieldhouse, so conventioneers will be able to join in. We're inviting all our listeners, neighbors, and friends, but our most honored guest will be YOU! Plan to come, and stay tuned to KFUO for details. We're inviting all our listeners, neighbors, and firends, but our most honored guest will be YOU!

KFUO MOURNS LOSS OF STAFF MEMBER

Lula Daniels, Coordinator of Worship Programming at KFUO, died unexpectedly at her home April 17, 1985 while recuperating from surgery. Lula had been with KFUO's Religion Department since August, 1969, and was well known to area pastors who worked with her to produce programs for KFUO. She was responsible for XAX Morning and Mid-Day Worship, Sunday services, and a variety of other religious features.

Lula brought blessing to all who worked with her, and through her work thousands of listeners received cmfort and strentgth from God's Word. Because of her faith in Jesus Christ, we bleieve she is now with the Lord, and we look forward to seeing her in heaven.

Anyone wishing to make a memorial gift may contact KFUO for a memorial XXX wreath, or simply designate your gift as in memory in Lula Daniels.

FORMER HOSTAGE VISITS KFUO

Christian Zimmermann, former hostage of TWA, flight 847, paid a special visit to KFUO the evening of August 6 to see the lighting of the golden neon cross affixed to the 300-foot radio tower. On June 23, - KFUO, dedicated the cross lighting in a special prayer for Zimmermann and the other hostages' safe return. The 10-foot cross (which are actually 2 crosses, one facing east, one facing west), was presented to the community as a witness of the Christian faith.

During Zimmermann's captivity, the glowing cross was also vividly displayed on national television as part of a montage of - pictures from around the country that represented hope for the safe return of the hostages. The montage appeared on the "CBS Evening News with Dan Rather" on June 26. " The cross on the KFUO tower was the only religious symbol of solidarity with the hostages in the CBS presentation,"stated KFUO Acting General Manager, Rev. Rodger P. Abatie.

The lighting of the cross on the tower was especially significant to Christian Zimmermann. He is not only a flight engineer for TWA Airlines, but is also an ordained minister of the Lutheran Church-Missouri Synod. He graduated from Concordia Seminary, on the campus where KFUO is located. During his seminary days - Christian had made proposals to the radio station and the Synod to have the cross relit. During his visit to KFUO, he also answered _ questions from the local media and consented to a lengthy interview with KFUO's News Director, Jerry Housholder.

KFUO's Acting General Manager, Rev. Rodger P. Abatie, welcomed Christian Zimmermann by pinning on his lapel a miniature gold cross (replica of the tower cross) and stating that the cross was "a symbol now that God does answer prayer....wear this as a reminder of what Christ _ did for us on the cross and also of our new

prayer that the world would be safe someday once and forever from world terrorism." Zimmermann responded, "I'll pray with you on that?"

Christian Zimmermann was very grateful to KFUO as he expressed his sentiments in saying,"I'm sorry that I missed out on all the excitement when you lit it the first time . . . I wish that I could have been here, but

I thank you from the bottom of my heart and just appreciate your sincere concern. which has obviously been synonymous with mine . . ." He also stated, "It's just fitting considering what Martin Luther had as his primary goal in the Reformation in the first place . . . that the Cross (of Christ) should be lifted high as being the primary thing in everybody's life . . ."

Rocky Bleier is a former member of the Pittsburgh Steelers pro football team. Rocky was injured in Viet Nam and had a television movie made about his life called "Fighting Back." The "Bionic Bug," sponsored by Johnson Wax (RAID), was interviewed by KFUO's Jerry Housholder on "This Day" July 24. The "Bionic Bug" is a 350 pound computerized robot that is taken around the country to speak about bug control.

It's a pleasure to serve our Lord and that is why Virginia Lehenbauer from Immanuel-Olivette Lutheran Church is smiling! KFUO . . . ON THE MOVE

KFUO is on the move and spreading GOOD NEWS of SALVATION THROUGH OUR SAVIOUR, JESUS CHRIST.

Thanks to faithful, supportive Christians like you, KFUO can continue to move ahead in spreading the Gospel to all people.

In September, a 1985 Chevrolet van was given to Radio Station KFUO for the love and glory of God in memory of Martha Wesel, a faithful KFUO listener and soloist on KFUO during it's earlier days.

Gateway Chevrolet on Manchester Road in Ballwin, Missouri was accommodating with special consideration in the purchase of the contemporary Chevrolet Astro.

The white van displays the brightly-colored AM logo on the driver's side and the FM "Classic 99" logo on the passenger side, painted by KFUO listener, Howard Weilmuenster. The AM logo,

which shows the cross and the words, "GOOD NEWS" is symbol of the ministry of the Gospel presented through Christian radio. It further shows the KFUO call letters and tha 850 is the frequency in which to tune for the "GOOD NEWS."

The KFUO van will be utilized in carrying broadcast equipmen and promotional displays and materials for setup in servin Christian congregations and in further outreach to the community

If your congregation or church organization is interested in KFUO presentation, just write to Phyllis Housholder or Ted Preus at KFUO. If you have a special event requiring news coverage, justype out a fact sheet with who, what, where, when, why, how an send it to Jerry Housholder at KFUO. Remember, with you faithful support, KFUO can continue to move ahead in spreading the GOOD NEWS to all people.

Sunday Church Services

Each day we pause for a few moments to remember people we have known and loved who have departed from this life, looking forward to the hope of our reunion in heaven. "Those We Love" offers a comforting Bible passage, a brief prayer, and a list of loved ones held in memory. This is revised weekly, beginning Friday evenings, and is broadcast on a regular schedule, as follows:

Friday 5:30 p.m. Sunday..... 1:00 p.m. Tuesday 7:40 a.m. Wednesday 2:45 p.m. Thursday 10:25 a.m.

If you would like the name of a deceased friend or relative remembered on "Those We Love," just send a memorial gift (in any amount) to KFUO. It is helpful to indicate the proper pronunciation of your loved one's name. You need not use KFUO memorial cards, but we will be happy to supply them upon request.
